You only need to submit one Form G-884 if you are requesting multiple documents contained in a single USCIS file. However, if the requested documentation is in more than one USCIS file, you must submit a separate request for each file. (For example: If you wish to obtain your mother's birth certificate and your parents' marriage certificate, both of which are in the USCIS file that pertains to her, submit one Form G-884 with your mother's information.)

**NOTICE:** Under the Immigration and Nationality Act (INA), the information you provide on and in support of applications and petitions is submitted under the penalty of perjury. USCIS and the U.S. Department of Homeland Security reserve the right to verify this information before and/or after making a decision on your case so we can ensure that you have complied with applicable laws, rules, regulations, and other legal authorities. We may review public information and records, contact others by mail, the internet or phone, conduct site inspections of businesses and residences, or use other methods of verification. We will use the information obtained to determine whether you are eligible for the benefit you seek. If we find any derogatory information, we will follow the law in determining whether to provide you (and the legal representative listed on your Form G-28, if you submitted one) an opportunity to address that information before we make a formal decision on your case or start proceedings.

Please see the additional information on the back. We will notify you separately about any other cases you have filed.
